Grady Fanatic Joe Borrison Says “Stop Dreaming and Start Cruising” as He Describes his Annual Pilgrimage to the Abacos

A trip to the Abaco Islands, boating capital of the Bahamas, is a dream vacation. Their turquoise blue waters, protected from the wind and waves by hundreds of islands and a huge reef system, make them the best cruising grounds in the Northern Hemisphere. But [Joe Borrison's dream](#) was to arrive at this boater's paradise aboard his own boat with his own fishing rods, tackle and diving equipment.
